 Agents for the Vein of Coal Worked by
 the Anderson county Coal Company, at
 Coal Creek, Tennessee.
 I have been selling from the 120 car loads
 of coal you sold me, since June last, and

have not yet found a customer that was dissatisfied with the quality of the coal for either C-M-T or STEAM.

In running our Flouring Mill we find your coal a good steam coal, and burns clean, has NO SLATE in it. It gives us entire satisfaction; is fully up to your reputation to us. H. ANDREX & LEWIS.

J. S. Lester, Atlanta, Georgia, Agent Anderson County Coal Co.'s Mines of Coal Creek Coal, Mined by them at Coal Creek, Tennessee.

We have been running our Flouring Mill

with your coal since August last. It is the best steam that we have ever used. Since

We have started our Coal Yards in connection
 with our Milling business, we find that
 as a GRATE coal it gives entire satisfaction.
 It burns free and clear, leaving no
 clinkers and is FREE FROM SLATE. We
 most cheerfully recommend it as a FIRST
 CLASS GRATE and STEAM COAL.
